## Admin Menu

After selecting the Admin option in the main menu you will then be prompted to enter your email and password. After entering the correct email and password you will be redirected to the Admin Menu. Selecting Logout will exit the admin menu logging you out.

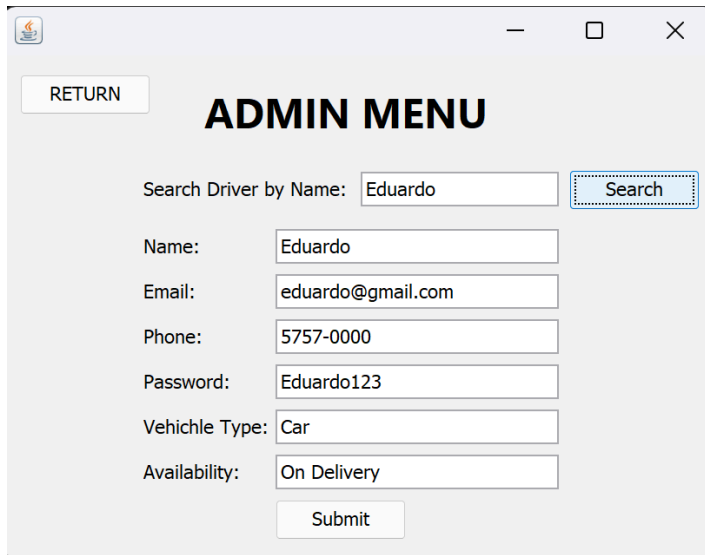

A screenshot of a web application window titled "ADMIN MENU". In the top-left corner, there is a "Logout" button. The main content area features the heading "ADMIN MENU" followed by the text "Choose one:". Below this text is a vertical stack of seven buttons: "Add Delivery Driver", "Edit Delivery Driver", "Remove Delivery Driver", "View Drivers", "View Users", "View Orders", and "Manage Restaurants".

- ❖ Option 1: This option adds a new delivery driver to the system.

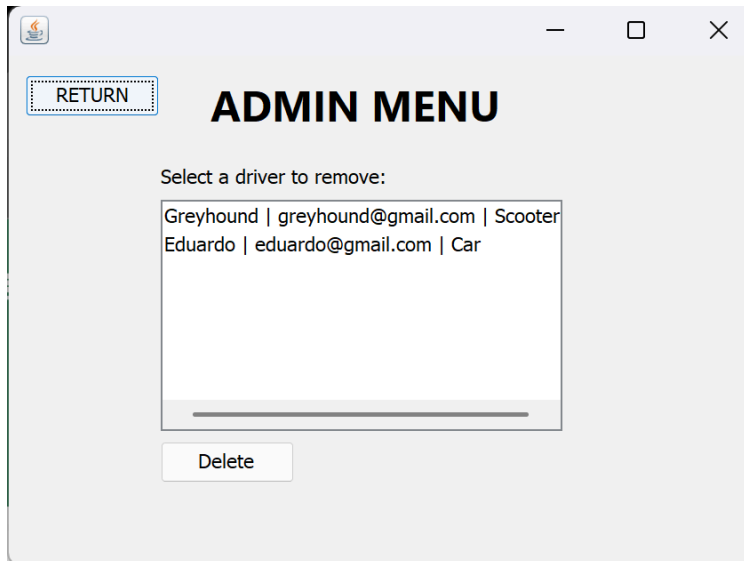

A screenshot of a web application window titled "ADMIN MENU". In the top-left corner, there is a "RETURN" button. The main content area features the heading "ADMIN MENU" followed by the text "Please provide the following driver info:". Below this text are six input fields labeled "Name:", "Email:", "Phone:", "Password:", "Vehicle type:", and "Availability:". At the bottom of the form is a "Submit" button.

- ❖ Option 2: This option edits a delivery driver. Enter a driver's name and click search to autopopulate information to edit. Update desired information and click submit.

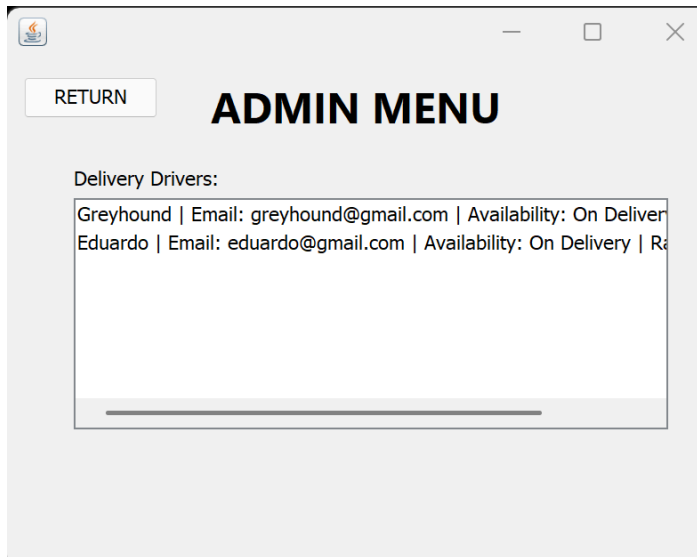

A screenshot of a web application window titled "ADMIN MENU". In the top left corner is a "RETURN" button. The main form contains a "Search Driver by Name:" label followed by a text input field containing "Eduardo" and a "Search" button. Below this are several input fields: "Name:" (Eduardo), "Email:" (eduardo@gmail.com), "Phone:" (5757-0000), "Password:" (Eduardo123), "Vehicle Type:" (Car), and "Availability:" (On Delivery). A "Submit" button is at the bottom.

- ❖ Option 3: This option provides the list of drivers and has the admin select who to remove. Select a driver to highlight them then select delete.

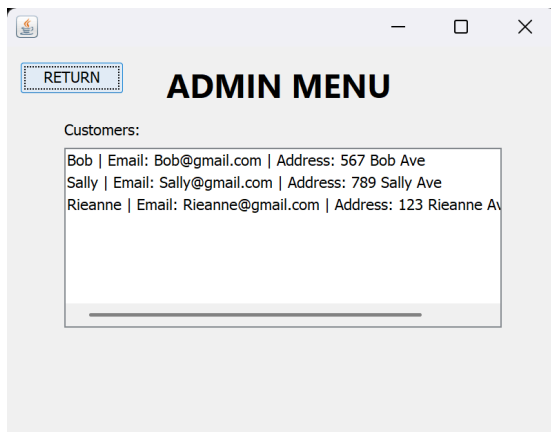

A screenshot of a web application window titled "ADMIN MENU". In the top left corner is a "RETURN" button. The main form contains the text "Select a driver to remove:" followed by a list box. The list box contains two entries: "Greyhound | greyhound@gmail.com | Scooter" and "Eduardo | eduardo@gmail.com | Car". The second entry is highlighted. A "Delete" button is located below the list box.

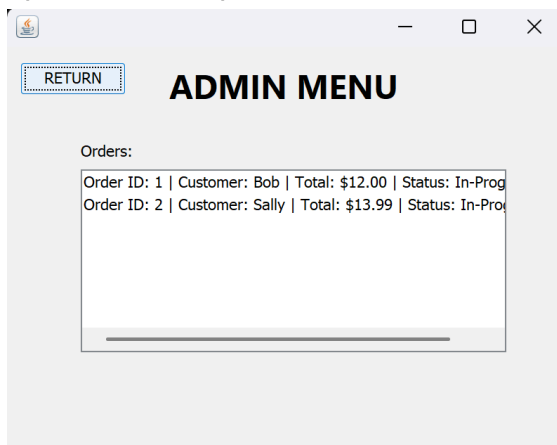

- ❖ Option 4: This option provides a list of all drivers giving their name, email, availability, and rating.

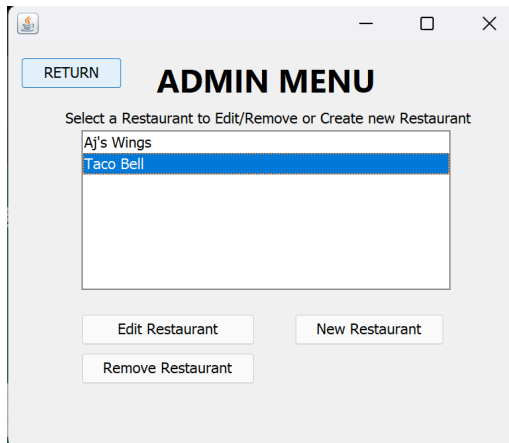

- ❖ Option 5: This option returns the list of users in the system.

- ❖ Option 6: This option returns the list orders in the system

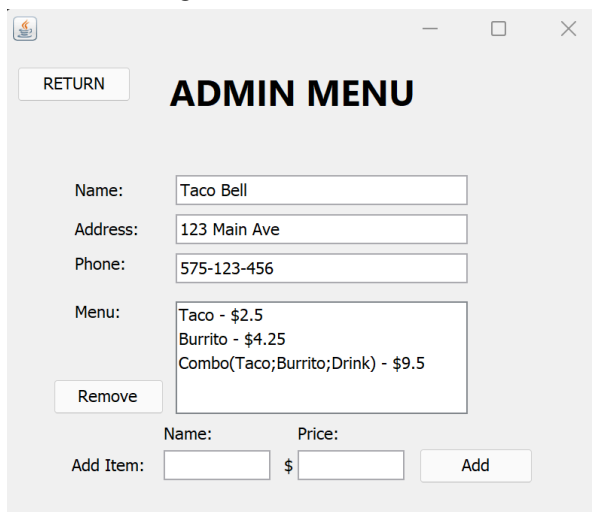

- ❖ Option 7: This option takes you to the Manage Restaurants page where you have. Select a Restaurant by clicking on its name then choose to edit or Remove restaurant. If you'd like to create a new Restaurant select new Restaurant

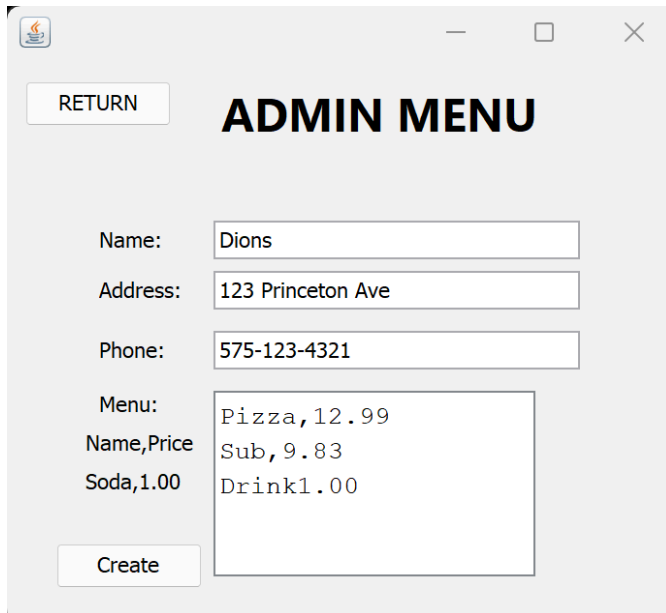

A screenshot of a web application window titled "ADMIN MENU". In the top left corner, there is a "RETURN" button. Below the title, a prompt reads "Select a Restaurant to Edit/Remove or Create new Restaurant". A list box contains two items: "Aj's Wings" and "Taco Bell", with "Taco Bell" highlighted in blue. Below the list box are three buttons: "Edit Restaurant", "New Restaurant", and "Remove Restaurant".

Edit Restaurant: Here you can edit the restaurants menu items by removing items or Adding new item:

A screenshot of the "ADMIN MENU" window showing the edit form for "Taco Bell". The "RETURN" button is in the top left. The form fields are: "Name:" with "Taco Bell" in the input box; "Address:" with "123 Main Ave" in the input box; "Phone:" with "575-123-456" in the input box; and "Menu:" with a text area containing "Taco - \$2.5", "Burrito - \$4.25", and "Combo(Taco;Burrito;Drink) - \$9.5". To the left of the menu text area is a "Remove" button. At the bottom, there is an "Add Item:" section with "Name:" and "Price:" labels, input boxes for the item name and price (preceded by a "\$" symbol), and an "Add" button.

**New Restaurant:** You'll be redirected to the new restaurant page, fill out information And submit. Important format for menu items is name,price with no spaces and a new line for each item:

The screenshot shows a web application window with a title bar containing a logo, a minus sign, a maximize button, and a close button. The main content area has a light gray background. In the top left corner, there is a button labeled "RETURN". To its right, the title "ADMIN MENU" is displayed in a large, bold, black font. Below the title, there are four input fields with labels to their left: "Name:" with the value "Dions", "Address:" with the value "123 Princeton Ave", "Phone:" with the value "575-123-4321", and "Menu:". The "Menu:" field is a larger text area containing three lines of text: "Pizza, 12.99", "Sub, 9.83", and "Drink1.00". To the left of the menu text area, the labels "Name,Price" and "Soda,1.00" are visible. At the bottom left of the form, there is a button labeled "Create".

## Customer Menu

After selecting the Customer option in the main menu you will then be prompted to enter your email and password. After entering the correct email and password you will be redirected to the Customer Menu. Selecting Logout will exit the customer menu logging you out.

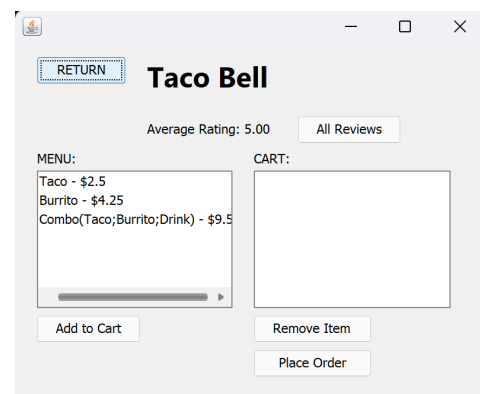

❖ Option 1: This option will populate restaurants you can browse.

- Select restaurant and click select
- 3: Returns to Customer Menu

If restaurant selected: The user is taken to Restaurant Menu

- ☐ In the Restaurant Menu you can select items and add to cart, select items from cart and remove, view restaurant review and place order. For place order go to payment guide(page 12 )

- ❖ Option 2: This option gives user order history

The screenshot shows a web application window titled 'CUSTOMER MENU'. In the top left corner, there is a 'RETURN' button. Below the title, the text 'Order History:' is displayed. A scrollable box contains the following information: '--- Your Order History ---', 'Order ID: 1', 'Restaurant: Taco Bell', 'Items: - Taco (\$2.50) - Combo(Taco;Burrito;Drink) (\$9.50)', 'Total: \$12.00', and 'Status: In-Progress'.

- ❖ Option 3: This option has the customer leave a review. They select from a list of previous orders

The screenshot shows the 'CUSTOMER MENU' window with a 'RETURN' button. Below the title, the text 'Your Completed Orders:' is shown. A scrollable box displays a single order: 'Order ID: 1 | Restaurant: Taco Bell | Total: \$12.00 | Status: In-Progress'. Below this box is a 'Select' button.

- After selecting an order they can choose to leave a review for the restaurant, delivery driver, or both.

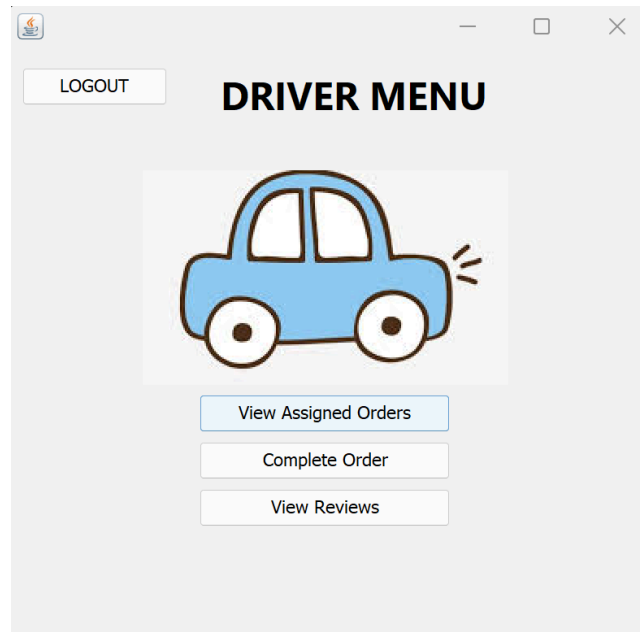

- ❖ Option 4: Logs the customer out and returns to main menu

The screenshot shows the 'CUSTOMER MENU' window with a 'RETURN' button. Below the title, the text 'Please fill out the following:' is displayed. The form includes a dropdown menu labeled 'Who is the review for:' with options 'Driver', 'Driver', 'Restaurant', and 'Both'. Below this is a 'Rating (1-5):' input field. A large text area for 'Comments:' is provided. At the bottom, there is a 'Submit' button.

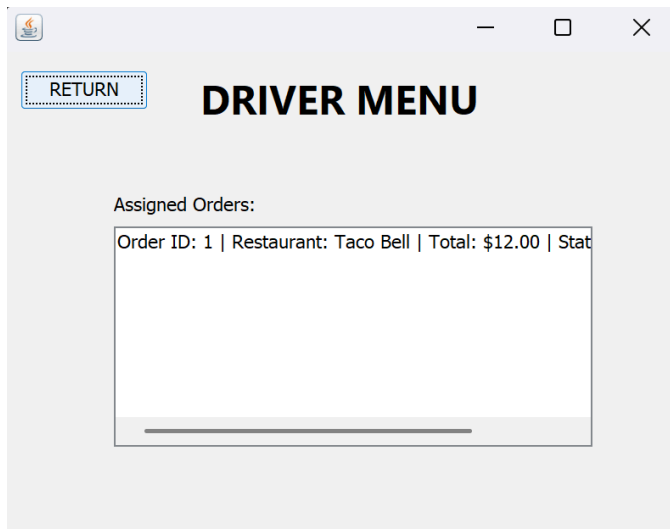

## Delivery Driver Menu

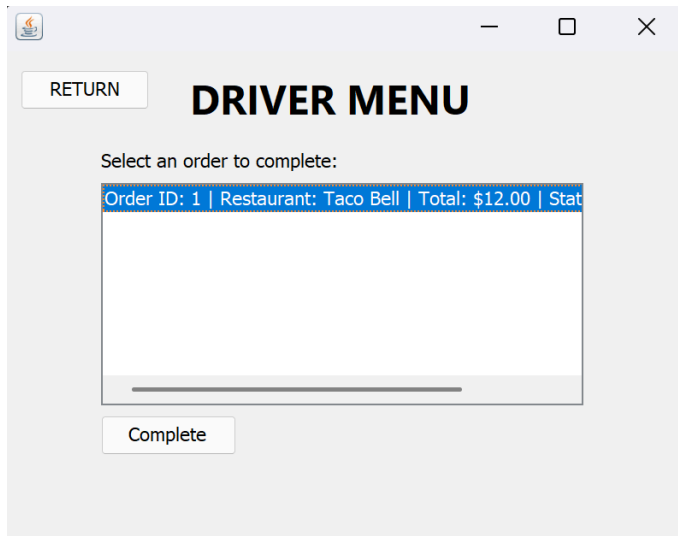

After selecting the Delivery Driver option in the main menu you will then be prompted to enter your email and password. After entering the correct email and password you will be redirected to the Delivery driver Menu. Selecting Logout will exit the driver menu logging you out.

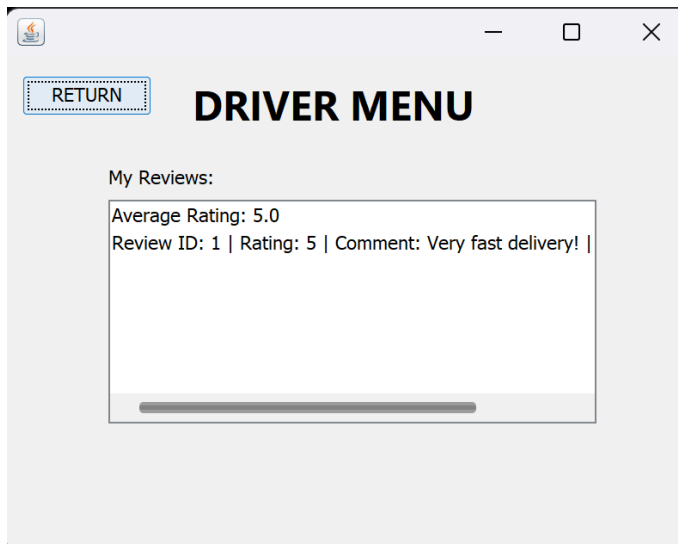

❖ Option 1: This option shows the drivers assigned orders

- ❖ Option 2: This option completes assigned orders. If orders are queued waiting you will be assigned a new order.

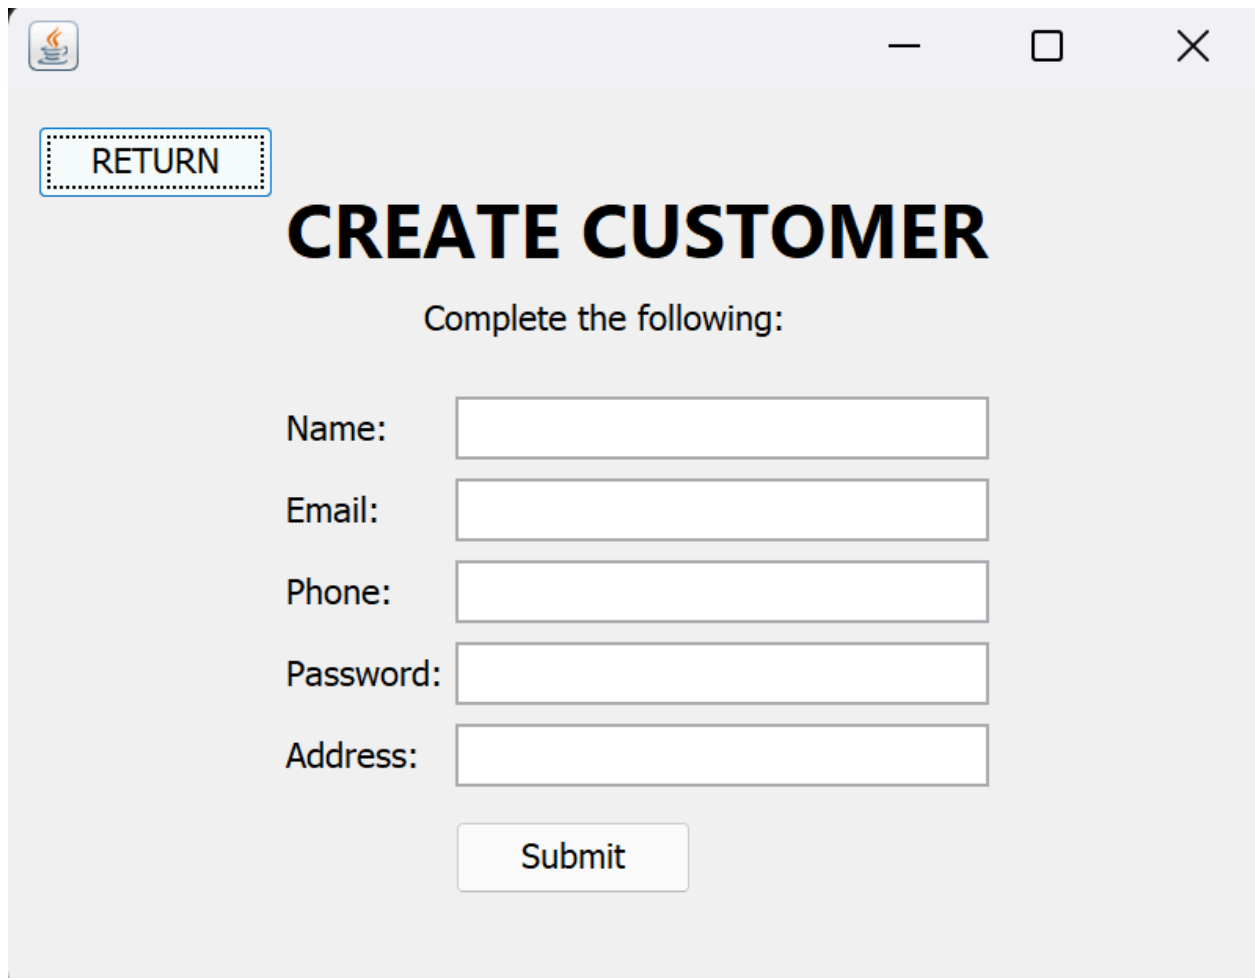

- ❖ Option 3: View your reviews

### Creating New Customer

After selecting option 4 in the main menu you will be redirected to this menu to create a new customer.

The screenshot shows a web application window with a light gray background. In the top-left corner, there is a small icon of a coffee cup. In the top-right corner, there are three window control buttons: a minus sign, a square, and an 'X'. Below the window controls, on the left side, is a button with a dashed border and the text 'RETURN'. In the center of the window, the title 'CREATE CUSTOMER' is displayed in a large, bold, black font. Below the title, the text 'Complete the following:' is shown in a smaller, regular black font. Underneath this text, there are five input fields, each preceded by a label: 'Name:', 'Email:', 'Phone:', 'Password:', and 'Address:'. The input fields are white with thin gray borders. At the bottom center of the form area, there is a button with the text 'Submit'.

## CREATE CUSTOMER

Complete the following:

Name:

Email:

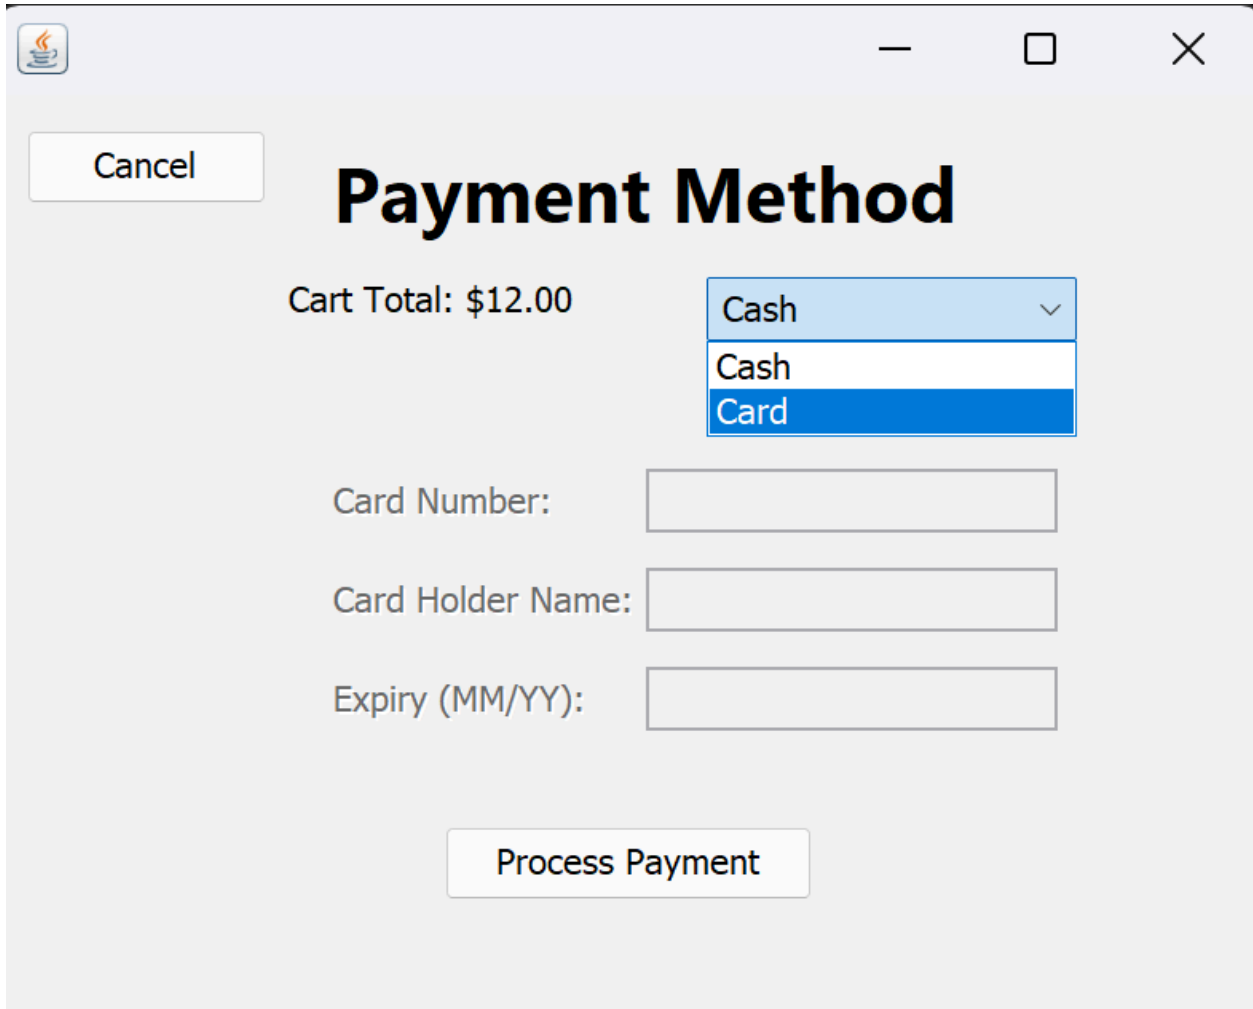

Phone:

Password:

Address:

## Payment Menu Guide

After choosing to place an order in the cart menu manager you will be redirected to the payment processing menu. Here you are asked for a payment method. Choose Cash or Card, if you choose cash select process Payment and give cash to the delivery driver. If you're paying with card the card information fields will become editable. Enter your information and select process payment.

A screenshot of a web application window titled "Payment Method". The window has a light gray background and a standard window control bar at the top with a minimize icon, a maximize icon, and a close icon. In the top-left corner, there is a small icon of a coffee cup. On the left side, there is a "Cancel" button. The main heading "Payment Method" is centered in a large, bold, black font. Below the heading, the text "Cart Total: \$12.00" is displayed. To the right of the total, there is a dropdown menu with "Cash" selected and a downward arrow. The dropdown menu is open, showing "Cash" and "Card" as options. Below the dropdown, there are three input fields: "Card Number:", "Card Holder Name:", and "Expiry (MM/YY):". Each field has a corresponding text input box. At the bottom center, there is a "Process Payment" button.
